# THE VENUE

The Scotch Malt Whisky Society specialises in the world's widest selection of rare single cask, single malt whiskies, hand selected from over 132 distilleries.

SMWS is committed to providing whisky tastings which surpass every expectation.

There are two SMWS venues in the City of London. The 19 Greville Street venue, a minute's walk from Farringdon station, is the members' only base in the heart of the city. It offers a modern, cosy atmosphere ideal for meeting up with colleagues or friends to enjoy our unrivalled selection of whiskies.

Our latest venue at Devonshire Square, next to Liverpool Street Station will take you back to the traditional days of relaxed drinking in an almost secret location. The venue carries over 200 different whiskies but also offers a wide range of cocktails, draught and craft beers, wines, Champagne and spirits.

Devonshire Square is available for private hire for groups of up to 80 people on selected days. Whether this is for a corporate event or to share with friends and family, it is the ideal location for any gathering.
